Education

Ramrao Adik Institute of Technology, D. Y. Patil Deemed to be University

B.Tech in Computer Engineering (Minor: Data Science), CGPA: 8.14

2023 – Present

Navi Mumbai, India

Pace Junior Science College

12th Grade, Percentage: 72%

2021 – 2023

Navi Mumbai, India

Radcliffe School

10th Grade, Percentage: 89%

2018 – 2021

Navi Mumbai, India

Projects

EmpowerMe – Women Safety Mobile App | *Flutter, Firebase*

2025

- Developed a prototype mobile application focused on enhancing women's personal safety.
- Implemented SOS alerts, fake calls, and safe route suggestions.
- Integrated Firebase to notify trusted contacts during emergencies.

Customer Churn Analysis — Telecom | *Python, Scikit-learn, Power BI*

2026

- Cleaned and analyzed a telecom dataset of 7,000+ records, engineered new features, and handled class imbalance using SMOTE. Trained Logistic Regression and Random Forest models achieving an AUC of 0.81, identifying monthly charges, contract type, and tenure as top churn drivers.
- Built an interactive Power BI dashboard and translated findings into 5 actionable business recommendations for customer retention.

Sentiment Analysis on Twitter Airline Reviews | *Python, NLP, Scikit-learn*

2026

- Preprocessed 14,000+ tweets using tokenization, stopword removal and TF-IDF vectorization with bigrams to capture meaningful phrases. Built and compared Logistic Regression and Naive Bayes classifiers for 3-class sentiment prediction, achieving a weighted F1 score of 0.76.
- Identified United and American Airlines as highest negative sentiment carriers and derived actionable recommendations for customer experience improvement.

Technical Skills

Programming: Python, SQL, Java, C, JavaScript

Web: HTML, CSS

Libraries/Frameworks: Pandas, NumPy, Matplotlib, Flutter

Tools: Tableau, PowerBI, Excel, Git, GitHub

Databases: MySQL, Firebase

Concepts: Data Cleaning, EDA, Data Visualization, Dashboards

Leadership

Student Union Council

- Actively contributed ideas and support to initiatives organized by the council.
- Assisted in planning and coordinating small-scale activities and events within the council.

Social Wing

- Participated in community-oriented activities, including a plantation drive, promoting environmental awareness.
- Supported team efforts in organizing social and sustainability initiatives.

Extracurricular

Smart India Hackathon 2025

- Participated and was selected at the college level.
- Contributed to a project on crowdsourced ocean hazard reporting and social media analysis.
- Collaborated with team members to research, design, and present solutions for real-world environmental challenges.

Hobbies

Programming, Reading, Gaming, Yoga
